**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a retired person on a fixed income and I support broadband competition. I found ATT was too corporate and insensitive and difficult to deal with, so I was able to choose a competitive provider, Sonic, whose service is more helpful and its cost better for me and I am sure for many others in my situation. You can't take that choice away from small consumers like me.

If this petition is granted I will be materially affected. I say NO to price hikes that will increase the cost of internet and telephone service.
